

AKHIL

Data Scientist, Data Analyst & AI/ML Specialist | Bangalore, India

Email: akhil.data@example.com | GitHub: github.com/akhil-data | LinkedIn: linkedin.com/in/akhil-data

EXECUTIVE SUMMARY

Experienced Data Scientist & AI/ML Specialist specializing in exploratory data analysis (EDA), predictive machine learning models,

CORE TECHNICAL SKILLS

ML & AI Frameworks: Python, PyTorch, TensorFlow, Scikit-Learn, XGBoost, LangChain, FAISS, OpenCV

Analytics & BI Tools: Pandas, NumPy, SQL (PostgreSQL, BigQuery, Snowflake), Power BI, Tableau, Plotly

PROFESSIONAL EXPERIENCE

Senior Data Scientist & AI Engineer — Cognitive Insights Lab

2023 – Present

- Developed XGBoost churn prediction models on 25M+ transaction rows, reducing quarterly churn by 18%.
- Built Retrieval-Augmented Generation (RAG) AI system with LangChain & FAISS for enterprise search.
- Designed interactive Power BI dashboards monitoring Customer Lifetime Value (CLV) & sales KPIs.

Data Analyst & ML Specialist — Apex Analytics Group

2021 – 2023

- Analyzed 50M+ e-commerce transaction records with SQL & Pandas, driving a 14% increase in AOV.
- Built automated time-series sales forecasting models (Prophet & ARIMA) achieving 94%+ accuracy.

EDUCATION & CERTIFICATIONS

B.Tech in CS (Data Science Specialization) — NIT (8.9/10 CGPA)

2016 – 2020

Certifications: AWS Certified Data Engineer | Google Data Analytics Professional | Deep Learning Specialization
